Parent Feedback

"It gives encouragement to try to improve your skills in parenting as well as validates all the good qualities you already are doing."

"Strong Families program puts parenting on the forefront of our crazy lives. It encourages me to be better not only for myself but for the kids, our family, and other families we meet along the way."

"Valuable information about how to better communicate with your children, how they feel, and how to respond..."

"Group discussion was so encouraging, enlightening, and inspiring. I gathered a complete list of practical advice on tiny changes that can easily be implemented. The entire experience was wonderful."
